

March 30, 2012

Below are anticipated construction activities for the week of 4/2/2012.

**\*\*While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

#### **CENTER TOWNSHIP**

Traffic signal improvements are underway on the following roads.

- 16<sup>th</sup> Street from Dr. Andrew J Brown Avenue to Roosevelt Avenue
- Dr. Andrew J Brown Avenue from 16<sup>th</sup> Street to 30<sup>th</sup> Street

Restrictions may be in place within the area bounded by Pogues Run Trail to the west, I-70 to the north, Bolton Avenue to the east, and 21<sup>st</sup> Street to the south while drainage improvements are underway. 21<sup>st</sup> Street from Emerson Avenue to Arlington Avenue was closed on February 21 and will remain closed for 120 days. This project also extends into Warren Township.

Due to storm water improvements being underway, 30<sup>th</sup> Street from Cold Spring Road to White River Parkway West Drive is closed until April 7. The detour route is Lafayette Road to 38<sup>th</sup> Street to Dr. Martin Luther King Jr. Street. This project also borders Wayne Township.

Northbound lane restrictions are in place for Meridian Street between East 25<sup>th</sup> Street and Fall Creek Boulevard North Drive. East 25<sup>th</sup> Street will remain closed to traffic until November 15, 2012.

Restrictions will be in place at the intersection and approaches to the intersection of Shelby Street, Prospect Street, and Virginia Avenue for streetscape and intersection improvements.

Project and schedule information can be found at

Restrictions will be put in place beginning Monday, April 2, on Delaware Street from Bicking Street (one block south of McCarty Street) to just north of McCarty Street so the contractor can remove the "bump out" at the northwest corner of McCarty Street and Delaware Street. Access to the parking garage on the east side of Delaware Street will be maintained during this restriction.

#### **Indianapolis Cultural Trail: A Legacy of Gene & Marilyn Glick**

The pedestrian lighting and paver work under the Bankers Life garage on Virginia Avenue has the southbound curb lane restricted. This restriction will be in place through the second week of April. The new traffic restrictions on Virginia Avenue from South Street to the I-65 bridge are now in place. Traffic has been moved to the east side of Virginia Avenue with one lane in each direction. On-street parking in this section of Virginia Avenue will be removed during the

construction of the Trail. Most of the removal of pavement in the above-mentioned limits has been completed. A small amount of drainage work needs to be completed, which should be done next week. Foundations and conduit for trail lighting are being placed by the Villagio. Stone sub-base will start to be placed next week, and curb will follow the week after.

On the Central Corridor (Washington Street), maintenance of traffic (from Capitol Avenue to West Street) has been set up. This involved placing orange barrels, temporary tape, and arrow boards to move vehicular traffic to the southern lanes and removing the metered parking on the north side of Washington Street from Capitol Avenue to West Street. The contractor is currently saw cutting the pavement for the start of the removal process, which should start next Tuesday, April 3.

#### **Georgia Street**

The contractor will be working in the east block next week, in front of The Pub restaurant, fixing the sidewalk and the vault ceiling. Minor traffic interruptions may occur, and it should take about one week to complete. Minor punch list items are being completed, as well. Please visit the project web page at <http://www.indy.gov/georgiastreet> for additional information.
